THE ANNUAL STAFF
PRESENTS
THE 1964 TREASURE CHEST
OF
BELLFLOWER HIGH SCHOOL
BELLFLOWER, CALIFORNIA

In the past year we on the annual staff have worked 'toward a theme of "Our Modern Age." Geometrical drawings surrounded by black space have been used throughout the Treasure Chest to remind us of our ever changing times in relation to our era.

As we see our Seniors of '64 leave us at B.H.S, we hope that we have gained an Alumni which is proud to come back and see our new and upcoming classes show our abilities as a school of honor both scholastically and athletically.

Our 1964 Treasure Chest is dedicated to a man we all know and to a man that we all like — Mr. Art Edwards. Mr. Edwards has been a counselor for six years in Bellflower High School and has become known as the man to lend a helping hand whatever the emergency.

We marvel at Mr. Edwards' ability to remember names and faces and we feel as a student body that he must like each of us to remember us. Mr. Edwards is always a gentleman, is always cheerful, and acts like he enjoys his work. His sincere warmth radiates so that his presence is always welcome and respected.

Mr. Edwards willingly gives his time to student activities and is always there. He has dedicated his life to others and he welcomes the opportunity to help any student at any time.

For his devotion to our Student Body it is our pleasure to honor him with the dedication of our 1964 annual.

SENIOR CLASS HISTORY

We came 568 strong back in '60. Large in number, but larger yet were to be our accomposhments. From that first day in September our diligent group set records at B.H.S. that have never before been reached and probably will not be equaled in many years

The first year in Inter-Class Track competition, we scored higher than any previous Freshman Class has ever scored at B.H.S. The following three years we whopped the other classes. Never before has any class fared so well in this event.

Our accomplishments were not only in the field of athletics. We also excelled in the field of academics. We have more honor roll students, Seal Bearers, and Phi Beta Kappas than any other class from our school. Our twenty-five Seal Bearers almost doubles the old record.

In our Seniar year we sponsored a very successful Christmas Dance, "Yaletide in Mistletae," which some people have compared to certain past proms. We threw a fantastic Sweethearts Ball at which everyone enjoyed themselves immensely. We enjoyed a frolicking Seniar Ditch Day at Newport Dunes. To top the year off we had a fabulous all night graduation party at Disneyland

Television comeras focused on Senior Square.

A Little Step Away

To close the eye, to fall asleep,
To draw a labored breath,
To find release from daily cares
In what we know as death . . .

Is this the crowning of a life,
The aim or end thereof?
The totaled sum of consciousness,
The ripened fruit of love?

It cannot be, for works of God Are wrought for nobler ends, And those away continue on In the hearts of kin and friends

It cannot be, for they live on A little step away The soul, the everlasting life, Has found a better day

JUNIORS

JUNIOR CLASS HISTORY

The active Junior Class started off the year with the annual Howdy Hop which proved to be outstanding as new friendships were created and old friendships renewed. As they continued through the 1963-64 school year the class sponsored the Donkey Basketbal game with fine success. The Junior Class received their Junior Sweaters with great enthusiasm. The sweaters were charcoal trimmed in white. In February the long awaited Senior rings came. The blue stones accenting the Buccaneer ships were worn upside down as the tradition goes. The highlight of the year came on May 23rd, with the Junior-Senior Prom. The prom, "Un Soir Diamour (Evening of Love), held at Long Beach Elks Club put an outstanding end to a year of en oyable activities.

As Sophomores, the class sponsored activity nights and sock hops with success. When-called upon to contribute to the United Fund Drive the class gave generously. They sold Booster Buttons to put the finishing touches on a wonderful year.

During their Freshman year, excited and a little new to the game, they sponsored only a few activities. The activities that the class did sponsor turned out very well and were enjoyed by

SOPHOMORES

SOPHOMORE CLASS HISTORY

The class of 1966 has been noted since their freshman year for their out standing school spirit.

This spirit has echoed through the halls of B.H.S. for two years and was reflected in the successful Hamecoming events. The Sophomores bought the flowers for the princesses and the crown for the queen, and a banner which was carried in the Homecoming Parade. They also made the throne for the queen.

Another high point of the year was the inter-class competition in the United Fund Drive. The Sophomores tied the Freshmen and were awarded Senior Square for a day

The class of 1966 has a bright and unlimited future before them

This year the Freshman Class has decorated for Homecoming, field with the Sophomore Class in the United Fund Drive winning Senior Square for a day, and spansored a school activity. CEE FOOTBALL

MR L NDLEY

Beliflower's Cee football team under the tutelage of mastermind Rogers Lindley, rolled over nine successive opponents in compiling the only perfect mark in Buccaneer grid history

At the beginning of the season the Bucs whipped John Glenn in a scrimmage 42-0. Then the Cees traveled to Artesia where the host Pioneers managed to grind out a grand total of four yards during a 34-0 rout by Bellflower. In two other pre-league games the Buccaneers rifled Whittier 41-7 and shut out cross-town rival Mayfair 21-0.

Although Santa Fe forfeited to Bellflower, the two teams fought it out anyway. The Chiefs bowed 9-0. California suffered a 21-0 trouncing. El Rancho was the only SGVL team to score against the Buc Cees with the final tally 19-12. Coach Lindley's squad climaxed the year by clobbering Norwalk 40-0 and Excelsior 34-0 in its two final games

Altogether the Bucs racked up over 250 points and permitted their foes only 19 for the entire season

In the fall of the 63-64 school year the Belliower High Drill team become an integral part of the Pep Squad. As a result of many morning and attenuous practices and hard work on the part of all of the girls many interesting performances were observed. The highlight of the year was an entire halftime show during football season in which they demonstrated their versativity in precision marching and rhythmical routines. In addition to halftime shows, they have participated in a number of competitive parades and have been highly rated. We are a extremely proud of the 63-64-BHS. Bucanettes

ASSEMBLIES

Assemb es covered a variety of events this year at Bei flower, ranging from wor a-renowned speakers to sk ts performed by our own student body

THE JURY ROOM

The Jury Room was the fall production at B.H.S. All the action takes place in 'The Jury Room' of a courthouse. The entire cast is made up of the 12 Jury members. They are discussing the fate of Julie Fletcher, who is on trial for murdering her uncle All of the Jurors are positive that Julie is guilty and they vote that way, except one young lady, known to the Jurors as the actress, who votes not guilty. She tells them that she had a different impression of Julie, and she wants to reenact some of the scenes from Julie's life to "get a real picture of what we're talking about

They play murder twice. The first time the actress does not feel capable of murder and that Julie did not either. The second time, she aid and even went through the motions of murdering the foreman of the Jury who, playing her uncle, still votes guilty, out of sheer stubbornness. At this time a young man on the Jury comes forward and through sharp detective work and more reenactment of scenes, with props, finally extracts a confession of the murder from one of the men on the Jury (Angry man)

THE GRINCH

The Grinch hates Christmas and thinks if there are no presents or Christmas trees he can stop it from coming so he goes to the home of the Whos to take away their decorations and presents. Cindy Lou Who catches him so he tells her he sijust taking the tree to get the lights fixed. When Christmas comes anyway even without trees and presents he decides maybe there's something more to Christmas after all.

BASKETBALL

In a hard fought and riotous battle between the Buc and Monsoon faculty and their dankeys the Bucs came out on top by two points. Members of both teams took some hard knocks when their mounts were not where they should have been but it was all in the fun of the game.

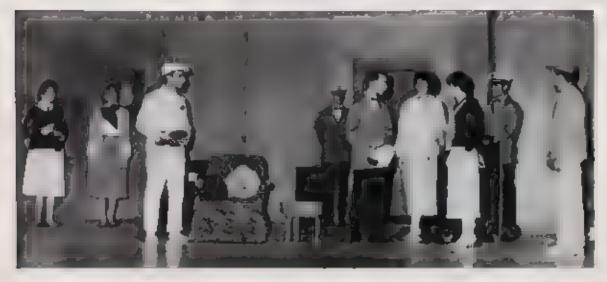

Beliflower High had a very successful Folk Song 5 ng this year It was part of the Winter Sports Festival which started this year as a new tradition. There was an over flow crowd and much undiscovered talent among both students and faculty was displayed.

OUR HEARTS WERE YOUNG AND GAY

The highly successful production of "Our Hearts Were Young and Gay" was staged on March 12, 13, 14, and 16. This story of two girls crossing the Atlantic to Paris in 1923 provided a lough filled evening. The story includes Cornelia's attack of the measles, Emily's fear of the boat sinking, and their combined efforts to impress "the greatest living French actor." Jean Thompson as Emily Kimbrough, and Penny Moeller and Kathy Roach as Cornelia Otis Skinner all received rave notices. The play took place on shipboard and in Paris. The 40 odd costumes were delightful. Director Robert Newman and student director Patti Nelson deserve credit for a smash hit.
